BUDGET FRIENDLY**

 **TRU-MOTION™**

An Accella Brand

## TRU-MOTION INDOOR ATHLETIC SURFACES ARE DESIGNED TO PERFORM.

When choosing your options for indoor athletic flooring, we understand that athlete and environment safety are your primary concerns. That's why we ensure a surface that is durable, visually appealing, low maintenance, and environmentally friendly.

Tru-Motion's chemists combine over 20 years of advanced technical expertise to deliver state-of-the-art products that perform consistently from the laboratory to each on-site installation.
